DELAWARE VALLEY UNIVERSITY

Student Orientation - Summer 2020

Hello Andrew,

The University is coordinating efforts to ensure that all new students are well-prepared to enter the fall term completely focused on academic work and campus life. A key component to your success is making arrangements for all your enrollment obligations for the fall term. Taking action now will allow you to focus on your studies from day one of the fall semester.

Later this week you will receive an email from checkin@delval.edu with the items that you need to complete before July 31 to avoid late fees on your student account. ***Be sure to review the information sent in that email thoroughly as it will be individualized to actions that **you** need to complete.***

We know that the email from checkin@delval.edu may raise more questions. Please utilize the offices listed below, either through email, appointments, Zoom, or phone to answer questions:
