

2021 Breeding Shed Policies

Delaware Valley University Sydney J. Markovitz Equine Breeding Center

BREEDING DAYS

Breeding shed is open February 17, 2021 through July 9, 2021. Stallions will be collected for semen shipment or pickup on Monday, Wednesday and Friday; on Saturday for pickup **only**. Live cover may be scheduled for certain stallions Monday through Saturday, and requires an independent appointment.

Semen requests must be placed **before 9:00 AM EST on MWF** or by **1:00 PM EST Friday for Saturday Collection**.

Call or text to request semen: 717-348-2832 Please include stallion, mare and shipping address.

BREEDING OPTIONS

SHIPPED SEMEN - Overnight shipment of cooled semen is available with restrictions as noted below.

- Shipments made within the continental US via FedEx on Monday, Wednesday, and Friday. The owner of the mare **must** provide a valid FedEx account number.
- Mares are limited to two (2) shipments per heat cycle.
- All shipping charges are billed directly by FedEx and are not reflected in collections fees.

SEMEN PICKUP- Mare owner/agent may elect to pick up semen for home breeding.

- Equine Express semen shipper will be provided and is included in the cost of collection and processing.
- Semen will be available for **pickup from the DelVal Sydney J. Markovitz Equine Breeding Center after 1:00 PM EST MWF and Saturdays by appointment**.

TRANSIENT BREEDING- Mares may be trailered to DelVal for breeding by artificial insemination or live cover.

- Notification of transient breeding must be made **at the time of semen request**.
- **Mares may be presented for breeding between 10:30 AM and 4:30 PM EST on collection days.**

BREEDING WITH BOARD- Mares may be boarded at DelVal for inclusive breeding management.

Entrance into separate contract required; additional fees apply. All collection fees are assessed at \$150.

PAYMENT FOR SERVICE
