

CERTIFICATIONS AND ENDORSEMENTS

Expand on your master's degree with a state certification or endorsement program through Delaware Valley University. The accelerated program curricula help teachers and administrators meet the requirements for administrative or supervisory state certifications and endorsements. The three-credit courses are offered as part of the overall master's in education curriculum, and as part of the certification and endorsement programs described below. Courses are offered in a classroom setting, or online through Zoom, depending which format fits the needs of each individual.
