Medicat Instructions

Welcome to Delaware Valley University! Please review and complete your required health forms online and upload them through our Medicat student health portal.

To log into the Medicat student health portal:

1. Click on link: <https://delval.medicatconnect.com>
2. Select: DELAWARE VALLEY UNIVERSITY in the drop-down menu
3. Log in using your “mydelval” information

Once you have successfully logged into your Medicat portal:

1. Select the FORMS tab
2. You must complete the following forms: Consent to treat and emergency contact form, Telemedicine health services informed consent and Medical history
3. Click on and review each form and please complete as required
4. After completion of each form use the SUBMIT tab to send the document into the portal and close the form
5. Immunization records (NEW STUDENTS ONLY)
 - Please submit a copy of your immunization records with a signature from your primary care office
