To All Exhibitors/Crafters,

Delaware Valley University's 76th annual A-Day will be approaching in the late spring of 2024. A-Day is a student-run annual event and a member of the Pennsylvania State Association of County Fairs. The proceeds from A-Day benefit student clubs and organizations. A-Day is a well-known event that focuses on school activities, community involvement, and family fun. It is a time for DVU students to showcase the University, promote agriculture, and spotlight student educational activities. From crafts to demonstrations and exhibits to farm animal education, there is something for everyone at A-Day! We invite your company to attend our three-day event to advertise and promote or sell products/crafts via an exhibit booth.

This year's event will run from Friday, April 26th, 2024 to Sunday, April 28th, 2024. We are open Friday from 12:00 p.m. - 8:00 p.m., Saturday from 10:00 a.m. - 7:00 p.m., and Sunday from 10:00 a.m. - 6:00p.m.

Set up is to be completed with all vehicles parked in A Lot by Friday at 11:00 a.m. You will not be allowed up to main campus to set up if you are late. Failure to comply with A-Day or University staff could result in removal from the fair without a refund. Tent size and individual booth space may not exceed 10'x10'. Attached, you will find prices and dimensions for A-Day exhibit areas, as well as a sheet for you to return to us with your intentions for A-Day 2024. If your company wishes to attend our event, the information sheet and liability form enclosed must be completed along with payment. **All of these forms must be returned by March 31st, to the address above or done through the online application.**

Please note, The University shall not be held responsible, fiscally or otherwise, if the fulfillment of any terms or provisions of this agreement are delayed or prevented by revolutions or other disorders, wars, acts of enemies, fires, floods, acts of God, public health emergency or without limiting the foregoing, by any other cause not within the control of the University, and which by the exercise of reasonable diligence, the University is unable to prevent, whether the class of causes enumerated here or not.

If all of these forms are not completed or sent in, your company will not be able to attend A-Day.

Any contributions your organization makes to A-Day would be greatly appreciated by the university community. Thank you for your time and consideration regarding this event; we look forward to hearing from you. Should you have any further questions or concerns, please feel free to reach out to us.

Cordially,
Alice Kaufman and Raegan Braund
