

Delaware Valley University
Alumni Achievement Award Winners

The Alumni Achievement Awards are designed to recognize outstanding alumni who have devoted time, energy, and resources to the betterment of the University and the Alumni Association, participated actively in the community and professional organizations, and have made a significant contribution in a chosen field. The award seeks to honor and extend the core values of Delaware Valley University by acknowledging alumni whose activities have been consistent with our founding principles.

For alumni who have received multiple awards, the additional awards are indicated in parentheses.
