

Requirement Summary

Institutions of Higher Education must post online the total amount of mandatory fees collected the prior academic year with a detailed description of each.

Mandatory Fee	Mandatory Fee Description
General Fee	This mandatory fee funds a range of programs, services, and technologies that support undergraduate student experiences including clubs and organizations, leadership development, and experiential learning opportunities. It is also used for a variety of instructional and non-instructional student support services including but not limited to technology, library services, health and wellness services, and facilities.
Technology Fee	This mandatory fee is used for academic and instructional technology. This fee covers specialized software, hardware, databases, and licensing fees.
